

## National Cycle Introduces Three Custom Replacement Windscreens for FLHT/FLHX Models

**Maywood, IL** – National Cycle brings raw meat to the table for 2014-20 FLHT and FLHX riders. These new windscreens have a unique custom personality and a flavor all their own.

### National Cycle Fly Boy™

Lead your two-wheeled squadron with the latest in aerodynamic style. Off you go into the wild paved yonder!

### National Cycle Bad Boy™

Face the world with the latest in bad-ass attitude adjustment. Don't ask permission. Just go your own way.

### National Cycle Gee Bee™

Lead the race with the wind in your face. Fly hard, fly far, fly fast... and never look back.

These windscreens are made from tough 3.0mm Quantum® hardcoated polycarbonate. This high quality material, along with state-of-the-art manufacturing techniques, provides outstanding impact strength and scratch resistance unmatched by any windscreen maker worldwide.

Quantum hardcoated polycarbonate is the material of choice for serious motorcycle riders. It is 10X more abrasion resistant than FMR hardcoated polycarbonate, and 30X more than windscreens made from commonly used acrylic or "aircraft plastic".

These windscreens are easy to install and are protected by a 3-Year Warranty against breakage!

N27410	Fly Boy Custom Windscreen; Dark Tint	Retail: \$129.95
N27420	Bad Boy Custom Windscreen; Dark Tint	Retail: \$129.95
N27430	Gee Bee Custom Windscreen; Dark Tint	Retail: \$129.95

National Cycle products are made in the U.S.A.

### About National Cycle:

Since 1937, National Cycle has been the world's premiere designer and manufacturer of OEM and aftermarket windshields for motorcycles, scooters and ATV/UTVs, as well as other quality motorcycle accessories. As the pioneering developer of hardcoated polycarbonate for motorcycle windshields, National Cycle is always on the forefront in enhancing the motorcyclist's riding experience.
