

National Cycle's Extreme Adventure Gear for the 2019-23 Honda® CB500X P4200 Adventure Side Guards

Maywood, IL – National Cycle's new line of Extreme Adventure Gear provides the best in rugged, superbly designed accessories for adventure bike owners, whether riding far off the beaten path or tarmac commuting and touring.

The new P4200 Adventure Side Guards for the CB500X are made from durable powdercoated and e-coated steel and can stand up to the most extreme abuse.

Designed for off-road protection, they also offer options for mounting supplemental lighting, adventure luggage, or your favorite deer whistle. Plus, they look really great!

Complete installation, with the proper tools, can be accomplished in 30-45 minutes.

The P4200 Side Guards are part of a complete Extreme Adventure Gear accessories package for the CB500X:

- N20063-66 VStream® Windscreen
- N5400 Headlight Guard
- P4200 Adventure Side Guards
- P4900 Lowering Kit
- P9304 Luggage Rack

P4200 Extreme Adventure Gear Side Guards; CB500X
