

National Cycle's Extreme Adventure Gear for the 2019-23 Honda® CB500X P4900 Lowering Kit with Kickstand

Maywood, IL – National Cycle's new line of Extreme Adventure Gear provides the best in rugged, superbly designed accessories for adventure bike owners, whether riding far off the beaten path or tarmac commuting and touring.

The new P4900 Lowering Kit and Kickstand for the CB500X is the perfect setup for riders born without really long legs, and for those wanting lower-to-the-ground stability when riding off-road.

The redesigned Suspension Link Arms lower the seat height about 1.50 inches. And to keep your newly lowered bike from getting tipsy when parked, a shorter replacement kickstand is included.

It's the perfect solution for CB500X riders!

The P4900 Lowering Kit is part of a complete Extreme Adventure Gear accessories package for the CB500X:

- N20063-66 VStream® Windscreen
- N5400 Headlight Guard
- P4200 Adventure Side Guards
- P4900 Lowering Kit
- P9304 Luggage Rack

P4900 Extreme Adventure Gear Lowering Kit; CB500X

Retail: \$119.95

National Cycle products are made in the U.S.A.

About National Cycle:

Since 1937, National Cycle has been the world's premiere designer and manufacturer of OEM and aftermarket windshields for motorcycles, scooters and ATV/UTVs, as well as other quality motorcycle accessories. As the pioneering developer of hardcoated polycarbonate for motorcycle windshields, National Cycle is always on the forefront in enhancing the motorcyclist's riding experience.
